

# Navigate U Advisory Committee

Navigate U will transform our ability to connect with and guide students through the University. This massive effort will be successful when it is guided by an adept group focused on transforming the student experience.

Charged with the 4 main components listed below, the Navigate U advisory committee guides usage best practices and policies of the Navigate U platform. The committee will be successful when the platform is being frequently used by a majority of our student-facing colleagues.

## Charge

Guide adoption of the platform

Ensure accountability of platform & initiatives

Approve access guidelines & rules

Provide recommendations to institutional leadership

## Representation
